

Becoming A Goal Getter

Name _____

Remember that the best way to meet your individual goal for your Girl Scout product sale is to take it step by step. Check off  each important step as you make it.

 I have reviewed the Goal sheet and played the game with my troop/group.

 I have set my goals for the sale.

I want to sell _____ products to help my group meet our goal

Our group goal is _____

My personal learning goal is _____

 I have shared my goals with my family and friends

 I know My Product Info: I know all the important information about the products I am selling. I can name/describe all of the products on my order card.

 **Safety and Selling Tips**

I have reviewed the safety and selling tips in the Group Program Packet.

 I know the important dates of the sale:

Date to Begin selling _____

Date to Turn In My Order _____

Date to Pick Up Products _____

Date to Deliver Products _____

Date to Turn In Money _____

 I have practiced asking customers to order products from me with my family or troop/group.

 I will say "Thank You" to every customer even if they do not buy an item.

 I will use the buddy system at all times to stay safe when selling

 I will abide by all Internet Safety rules when soliciting customers online.

 I have made a list of friends, relatives and neighbors who I can ask to place an order. Here is a list of my contacts name, phone numbers and email address, if applicable.
