

Become A Super Star by playing the Super Star Seller Game

Instructions

- ★ Divide the number of players into groups.
- ★ Cut off and use the colored stars as the game pieces for each group.
- ★ Cut out, fold, and glue the template below to create your dice.
- ★ One member of each group will roll the dice. The team with the highest number will start first.
- ★ Begin the game by rolling the dice to determine the number of spaces to move on the game board. Use your game piece to mark your place on the game board.
- ★ If your team lands on a "Pick A Card" space select the top card from the stack and answer the question. Move the allotted number of spaces instructed on the card. Replace that card to the bottom of the stack.
- ★ The first team to get to the finish star wins the game.
- ★ Keep playing until all teams have completed the game.
- ★ Now you are ready to be a Super Star Seller!
